

Boosters

Become a UAIS Booster!

Boosters raise money for expenses related to the IB programs, including classroom supplies, equipment, and extracurricular activities.

Contributing to the Boosters is voluntary, but important for our students. The items we purchase benefit every student at the school. Here are some of the items purchased during the school year:

- ManageBac Yearly Subscription, which is the required learning platform that helps UAIS students and teachers manage the IB curriculum: \$2,700
- Questia Yearly Subscription to provide access to an online research library for college-level scholarly research for the PT classes and EEs: \$1,850
- Hotel for students to attend the HOSA State Conference: \$500
- New equipment for the science labs: \$1200

Your contribution of \$50 per child is the most effective way you can help. If you would like to volunteer or help in other ways, there are several opportunities to participate but federal privacy laws mean the school cannot give us your name or contact information. Help us keep you informed by filling out the information below:

Parent(s) Full Name(s):

Parent email addresses:

Student(s) Full Name(s):

Student(s) Grade in the 2020-2021 School Year:

Due to concerns with Covid-19, we are unable to take cash payments. If you would like to pay by check, please make the check payable to **IB A PARENT BOOSTER**, attach it to this form and mail to:
